For clarification, the use of uppercase by UP Cebu and UP Manila in the course codes of these UPD-adopted GE courses does not imply any difference in content from Diliman courses. Additionally, the use of PHILSTUD 21 in lieu of PS 21 by UP Cebu is to avoid confusion with existing course codes under their BA Political Science Program. These modifications in course codes by UP Cebu and UP Manila are currently being formalized by both CUs and UP Diliman.

Please be guided accordingly.

Thank you.
