SUBJECT : Invitation to the first LINANGAN webinar, “*General Education in a Time of Constant Change and Uncertainty*”

DATE : 3 April 2024

We are pleased to inform you that the General Education Center (GEC) will once more hold **LINANGAN: The GE Faculty Development Extension Program**, whose first successful run was in 2021-2022. By continuing the program, the GEC hopes to share through a series of webinars the teaching methods and techniques utilized by the UP GE faculty in integrating pressing contemporary issues such as artificial intelligence, gender mainstreaming, critical production/consumption of information, and disaster risk management into respective GE courses.

This year, nine webinars will be held. Through GEC’s coordination with UP CUs, CHED Regional Offices, and various higher education institutions in the Philippines, we are hoping that more GE faculty can participate in the webinars to further enhance the teaching and learning of GE.

In line with this, the GEC respectfully requests your good office to **endorse the first LINANGAN webinar, “General Education in a Time of Constant Change and Uncertainty”**. It will be held on **15 April 2024 (Monday), 9:00 AM – 12:00 NN** via Zoom and YouTube. Attached are the publication materials for your endorsement and dissemination.

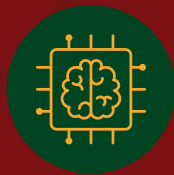

Should you have any questions and/or concerns, please do not hesitate to contact us at gec_ovcaa.upd@up.edu.ph and/or Mr. Kenrick Buduan at kpbuduan@up.edu.ph or +639985570399.

Thank you.
