Subject: **POSTPONEMENT OF THE GE CONFERENCE 2025 TO MAY 2026**

Pursuant to OVPAA Memorandum No. 2025-102, this is to respectfully inform everyone that the UP Systemwide GE Conference has been postponed to early May 2026.

The adjustment was made to realign with academic schedules, address logistical considerations, ensure broader participation, and provide ample time for preparation to ensure a more productive and inclusive conference.

All previously announced guidelines, including those on the submission of abstract proposals, will be updated accordingly. A revised call for papers and timeline will be issued by the OVPAA in due course.

We sincerely thank our GE faculty and colleagues for their continued support, interest, and contributions to the GE Program. The OVPAA remains committed to strengthening the UP GE Program by providing venues for discussion, innovation, and collaboration through this rescheduled conference.

Kindly disseminate to all concerned GE faculty. Thank you very much for your understanding and cooperation.
